Continuation of Substance of Interview including description of the general nature of what was discussed: The Board of Appeals wanted to know if the IDS, paper no. 2, was ever considered by the examiner, Michael J. Moyer. The examiner searched through the case but could not find the signed copy of the IDS statement. Therefore I called the attorney and asked for him to fax me a copy of the signed IDS statement, which I received on 22 August 2003. Upon further review of the signed copy of the IDS, the examiner noticed that the cited documents were inadvertently crossed out. The examiner has read and considered the cited documents and the patented reference of the IDS.
